Scope of Work

The contractor will devote its best efforts in a professional manner to conduct activities in accordance with WEConnect International standards and procedures, and contribute to performance monitoring and evaluation by performing the following functions:

Roles

The Contractor will serve as the Engagement Manager for Bangladesh. This role is expected to represent and advance WEConnect International's presence in a predefined market and act as the liaison with women-owned businesses and key stakeholders such as members, local corporations, business support organizations, government agencies and other organizations, groups, or individuals, to promote and enable more business opportunities for women-owned companies.

To achieve the purpose of this role, an Engagement Manager is expected to fulfill the following activities:

1. Design and Planning

a. Programming

- Provide WEConnect International with local knowledge to assist in the design a growth plan for impact in the market in line with WEConnect International's Global Strategy

b. Work Plan and Budget

- Work with WEConnect International to develop a work plan and budget that detail activities and related expected outputs and outcomes

2. Marketing and Communications

- Design and implement a local Marketing Plan
- Design and lead marketing campaigns, in collaboration with any regional or global resources WEConnect International provides
- Coordinate with communications team on all branding requirements and messaging, including tailored marketing materials to reach Country-level buyers and women suppliers (all materials subject to WEConnect International approval and must follow brand and logo guidelines)

3. Women-Owned Business Certification conversions

a. Women-Owned Businesses Relationships

- Develop and implement campaigns and other activities that encourage qualified potential women-owned businesses to register and increase registrations on WECommunity
- Develop campaigns and other activities that encourage qualified businesses to certify and renew their certifications as a women's business enterprise

b. Member Buyers Relationship

- Lead the local engagement of WEConnect International's member buyer representatives and manage the relationships with existing member buyers
- Run Advisory Councils and Member Meetings

4. Lead Generation

- Work in collaboration with the Business Development Team—from lead generation to proposal development, to award

5. Enabling connections

- In collaboration with the Certification and Customer Service Teams, support the successful adoption of WECommunity, registered and certified women-owned businesses, and members—RFPs on WECommunity, and searches for women-owned businesses
- Facilitate communication between certified suppliers and members that will foster market access opportunities and lead to contracts/success stories
- Engage members to increase spend with women-owned businesses
- Provide local knowledge as to the needs of the market to assist the global Training Manager, Global Events Manager and others to design and lead events that promote connections between member buyers and women-owned businesses

6. **Building Capacity of Women-Owned Businesses**

- Identify training opportunities for women-owned businesses relevant to the market and inform the Global Training Director
- Advise the Global Training Director on design and execution of knowledge sharing events that provide value and build capacity

7. **M&E – Reporting and Knowledge Management**

- Submit complete monthly activities report on or before the first day of each month for the previous month using the template provided with the monthly invoice and be prepared to update WEConnect International on key priorities in the interim when requested
- Provide WEConnect International with additional information it may reasonably request concerning performance of WEConnect International-related work
- Allow and assist WEConnect International, if required, to inspect any accounts, records and other documents relating to the submission of proposals and contract performance, and to have them audited as may be required by funding sources

Contractor must adhere to all WEConnect International policies that are applicable to contractors. Policies will be provided in writing.

Hands-on Skills and Experience

- Highly organized to manage multiple demands and ability to prioritize those demands in line with WEConnect International annual plans and 5-year strategy
- Personally driven to succeed and drive for continuous improvement
- Adept and skilled at developing long term relationships and managing competing priorities or objectives with large corporations or other influential member buyers
- Courage of conviction to drive change and represent local needs while balancing global priorities
- Able to effectively generate content relevant for local social media and have knowledge of social media best practices
- Excellent written communication, presentation, and digital skills
- Proficient in Microsoft Office, social media platforms and analytics associate with those platforms in order to do local impact reporting
- Experience in event planning and management a plus
- Ability to travel as needed (when COVID restrictions allow)
- Entrepreneurial experience preferred

Additional Qualities

- Fluent in English and at least one other official local language if not English only
- Detail oriented
- Ability to work independently
- Thrives in a fast-paced environment
- Strong relationship building capability

- Consistent Analytical mindset
- Solutions focused problem solver
- Self-starter who achieves goals independently
- Ability to manage multiple priorities
