

Job Title: Volunteer Privacy Officer (NON-PAID)
Department: Operations
Staff POC: Project Manager

To Submit Your Volunteer Application Please Click Here: [Volunteer Data Privacy](#)

SUMMARY

In support of WEConnect International's pursuit to empower women business owners across the globe, we are seeking the support of a volunteer to help provide guidance and support related to risk and regulatory compliance matters for the organization. The Data Privacy Volunteer will partner with the Data Privacy Project Manager and team members across the organization to advance the organization's Privacy Management Program by developing or improving developed privacy policies, notices, and procedures that meet and exceed national and international regulatory requirements. This person will embody the highest ethical standards, personal and professional integrity, and respect for confidentiality. They will have demonstrated experience in developing privacy policies and notices that meet legal and regulatory requirements and standards, monitoring for legal and regulatory changes and providing quick revisions to privacy documentation and practices, communicating privacy management practices to staff members, and exemplary writing skills.

Why Volunteer

WEConnect International's mission is to help drive money into the hands of women business owners by enabling them to compete in the global marketplace. Our vision is to help create a world in which women have the same opportunities as men to design and implement business solutions that create wealth and the sustainable prosperity of their communities. As a 501c (3) organization, we rely on volunteer support to help us achieve our goals. If you are inspired by the mission, vision, and purpose of WEConnect International, then this is a great way to help us ensure the organization is providing support and resources in a diverse environment that is committed to ensuring a transparent and consistent experience for all. Many of our volunteers work full time jobs and provide 10 to 15 hours a week of support and guidance. WEConnect International promotes a flexible environment for all and works with all volunteers to develop a schedule that is conducive for all parties. If you have been considering being part of the change in the way the world works, then this is the chance for you to take that next step.

What You Will do

- Draft and/or maintain internal and externally facing data privacy documentation
- Review Privacy Impact Assessments (PIAs) and risk assessment and gap analysis reporting to draft or revise privacy policies and notices
- Confirm and update organizational data mapping of assets and processes
- Meet with department teams to update or draft business process policies, as needed
- Draft and/or review and revise policies, as needed, to accurately:
 - Define roles and responsibilities
 - Address operational risks and legal requirements
 - Document legal basis for collecting and processing personal information

- Document guiding principles for consent
- Provides consequences for violating privacy policy
- Ensure privacy policies and notices accurately reflect the organization's privacy practices and are clear and transparent in how personal information is collected, used, shared, and stored
- Work with department leads to ensure that privacy notices are always provided at the point of data collection and include details of:
 - Methods used to collect and protect personal information
 - Procedures on how personal information has been or is being used
 - Primary and secondary uses of personal information
 - Third parties that may process or store personal information
 - International transfers of personal information
 - Tracking or logging of activities
 - Description of legal rights of data subjects
 - Contact information for complaints and privacy regulators
 - Date of the last update
- Monitor for changes to privacy laws and regulations and update and revise policies, as required
- Communicate and, when needed, train or present new or revised privacy policies and procedures to WEConnect International staff
