

# IMPACT THROUGH CONNECTION

## CERTIFICATION REIMBURSEMENT INITIATIVE

We are thrilled to announce an exciting new initiative to elevate and open up new **business opportunities for women-owned businesses in France, with a focus on the Greater Paris region!**

**WEConnect International**, with support from JPMorgan Chase, is proud to offer **full reimbursement of the WEConnect International certification costs** for woman-owned businesses across France that qualify for certification.

This initiative will support **100 women-owned businesses** in getting certified, boosting their public profile, and connecting them to 190+ corporations with a combined purchasing power of over 4 trillion USD. **We aim to create new business opportunities for them and help them compete globally.**

### WHO'S ELIGIBLE?

We welcome woman owned businesses registered in France, meeting the **eligibility requirements of at least 51% ownership, control and management by a woman or women.**

### HOW TO APPLY?

Click [here](#) to register!

### CALL TO ACTION!

Spread the word! Share this exciting opportunity with women entrepreneurs in your network.

**If you are a woman entrepreneur ready to take your business to the next level, or if you know someone who is, this is for you!**

For more information, please do **get in touch with our Market Lead in France, Laura Natera, via email at [france@weconnectinternational.org](mailto:france@weconnectinternational.org).**

Let's elevate women entrepreneurs and pave the way for inclusive business growth!
