

# 2026 3-YEAR CERTIFICATION FEES

The non-refundable processing fee for new applications and recertification is based on annual gross revenue and is divided into three (3) groups. Please identify which group and range your company's revenues fall within to identify the required fee.

The prices listed below have been adjusted to ensure our certification is globally accessible and affordable for women business owners. If your organization is interested in sponsorship opportunities and discussing our standard rates, please contact us at [wecertification@weconnectinternational.org](mailto:wecertification@weconnectinternational.org).
